## Character

Classical leather grain in wide fashionable color range for various applications.

## Technical Properties

**width:** 54 in. / 137.2 cm  
**roll length:** 30 yd. / 27.4 m  
**weight:** 30 oz. per linear yard  
**face:** 100% virgin vinyl  
**backing:** 100% poly-cotton knit  
**abrasion:** ASTM D4157 / CFFA-1A: 50,000+ double rubs Wyzenbeek  
**UV resistance:** +300 hours – ASTM G154 / QUV

long-lasting

lightfast

abrasion-resistant

tear-resistant

antimicrobial  
ASTM G21

easy to clean

## Flame Protection

Passes Cal. Bulletin 117 E., FMVSS 302, UFAC /NFPA 260 Class 1.

May comply with California 133 when tested with suitable components.

Information regarding compliance with California Prop 65 is available.

## Application / Processing

Suitable for many kinds of upholsteries and coverings in the upholstery industry. Especially suitable in the modern and classic residential area. Also suitable for the use in the bags and leather goods industry. Problem-free processing in the usual procedures (sewing, tacking, sticking, nailing). Do not use solvent-based adhesives!

## Other Instructions

For durable joy with your **skai®** material, please clean regularly. Pollution by oil, fat and ink must be removed immediately. Clean with warm, mild soap lye and a microfiber cloth or a soft hand brush. Please do not use solvents, chloride, abrasives, chemical cleaning agents or wax polishes. Please note that colorings by jeans or other textiles are excluded from any manufacturer's guarantee.

## Special Notes

Our written and spoken technical recommendations, which we provide based on our experience in accordance with the current state of knowledge, are nonbinding and do not constitute a legal relationship and are not additional obligations from the purchase agreement. They do not release the purchaser from checking our products for the intended use under his own responsibility. Otherwise, our general terms and conditions are in effect. All earlier provisions to the contrary hereby become invalid.

**skai®** Bison is treated with Ultra-Fresh™ antimicrobials. Ultra-Fresh® antimicrobials are EPA and BPD registered, REACH compliant and Oeko-Tex approved.
